About Enzo

We started from a small scale garment factory since 1993, based in johor, mainly in developing & manufacturing garment products. Our products range is including t'shirt uniform, corporate shirt, sportswear, muslimah, track bottom and all sort of team wear.

“Great Uniform Bring Great Team Together”
Uniform is the clothes that we wear “everyday”, it’s crucial that the clothes that we wear has the functionality and comfort that we need at the same time looks “smart”. This could mean breathability, comfortable, durable, easy to care & modern fit at a reasonable price.

In the future, we will design our clothing with the practical sense of simple, comfort and high quality.
